ALLOWANCE

Claims 25-34 are allowed.

The following is an examiner's statement of reasons for allowance: The closest prior art is USPN 5,990,199 drawn to an indicator ink composition, however a search of the prior art does not teach or fairly suggest the claimed cross-linked water swellable polymer mixture applied to an absorbent fiber web.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
